

## **STUDENT HEALTH PLAN WAIVER**

BYU—Idaho requires all traditional, matriculating students to either have health insurance coverage in the Rexburg area, or participate in the BYU—Idaho Student Health Plan for the duration of their BYU—Idaho education (including, but not limited to, semesters during which you are off-track, deferred, suspended, or completing an internship). If you have selected the Student Health Plan by mistake, or were unable to enter your private insurance information online, the Health Plan can be waived if the waiver is received by the semester deadlines.

**Accepted insurance to waive health plan:**

- Insurance through a policy held by a parent.
- A group insurance plan provided by your employer or your spouse's employer.
- FULL Coverage Idaho Medicaid** or Medicare.
- Affordable Care Act compliant health care plan that is valid in Idaho.

**Insurance that is NOT accepted to waive health plan:**

- Short term, travel, or international policies.
- Policies that provide only emergency and urgent care in the Rexburg, Idaho area.
- Medicaid from any other state than Idaho.

Your coverage must provide full medical care if you are living in the Rexburg area. MOST STATE FUNDED PLANS WILL ONLY OFFER EMERGENCY COVERAGE OUTSIDE OF THEIR STATE OF RESIDENCE AND WILL NOT QUALIFY FOR THE WAIVER if the student resides in the Rexburg area.

**Instructions:** To waive your enrollment in the Student Health Plan, submit this form to the Student Health Center via fax, mail, or email (healthcenterbilling@byui.edu). It must be received by the **end of the first week of the semester or your student account will be charged for the Student Health Plan contribution and will NOT be refunded.**
